

Dear George,

Thank you for your interest in Agora Gallery and for your portfolio submission. Agora Gallery was established in 1984 and is located at 530 West 25th Street in the center of what is considered by many as the most significant art district in the world.

With respect to your work, I am pleased to inform you that your distinctive flowers, trees and fauna photographs qualify for Agora Gallery representation and to which a select number of artists are invited to join our family of artists.

As you may know, Agora Gallery has been providing promotional services to talented artists, such as yourself for decades. In regard to your work, I feel that your stylistic expression will resonate well at Agora Gallery in New York City, with our media contacts as well as with our large base and our viewing audience. Our promotional efforts include, but are not limited to, 18 month representation with Internet exposure as well as participation in an exhibition.
